DEDICATION

The class of 1978 would like to express their appreciation by dedicating this yearbook to Mr. Harold Bush.

After graduating from high school, Mr. Bush continued his education by attending Indiana State Teachers' College and receiving his Bachelors of Science degree. He then went to serve four years in the U.S. Navy before earning his Masters degree at the University of Pittsburgh. Mr. Bush joined the Berlin faculty and has now completed 33½ years of instruction. During those years, along with being an outstanding community worker, he has served as senior class advisor, local and regional FBLA advisor, as well as Maple Priness advisor. Mr. Bush has also directed many class plays beginning with "Change of Hearts" in 1953. He has devoted many hours to publishing programs for many school activities.

Outside of school he is an active member of the Elks and American Legion and also contributes much time to St. Gregory's Church.

Since his work, cooperation, and unselfish giving of his time has made many school activities possible, the class of 78 extends their appreciation.

The Bervalon, the school yearbook, is published by members of the senior class who have selected the class as an elective The editors and assistant editors are selected by the class members. The responsibilities of the staff include: scheduling all pictures, designing the lay-out of the book, writing copy, and preparing all materials for publication. The book is financed through yearbook sales and ads which are solicited by the entire staff. The staff is then divided into sections which prepare the six divisions of the book; seniors, faculty and administration, underclassemn, activities, sports, and highlights. The business staff is responsible for maintaining accurate records of all finances which are received. The Bervalon is delivered in August, so that the entire school year may be presented

F.B.L.A. has had many activities this year.

We have participated in both Fall and Spring Regional, worked the concession stands at both football and basketball games, sold mountaineer license plates, and served at banquets.

This year we had two community projects — — in December the club went caroling at the County Home, and in April a bake sale was held to raise money for the Miller Memorial Center.

At the end of April, nine members of the club spent three days at Host Farm Resort, Lancaster, PA, competing in state contests. In May we enjoyed a day of fun and relaxation at Kennywood Park.

Our Junior Class Play, "You Can't Take It With You," was held on April 14 and 16, 1977. The theme of the play was centered around the Sycamore family. It included Grandpa, who collected snakes: Paul, the father, who made firecrackers: Penny, the mother, who wrote plays; Essie, who was a ballerina; and Alice, who wanted to know a guy named Tony a lot better. The directors for the play were Rebecca Bower and Michele Nakich

On November 10th and 11th, 1977, the Senior Class presented the play, "Our Girls" The play was about the Lovejovs who had named their sons "Jessie" 'Francis", and "Vivian", because their Aunt Jessie didn't like boys. Aunt Jessie lived in England, so it had been easy to deceive her. She must never know that the "girls", who were to inherit her money, were boys. Each would receive \$5000 on his 16th birthday, and more when he came of age. Vivian was nearly 16, and Father planned to borrow part of the money to expand his business. Then the blow fell!!! Aunt Jessie decided to pay a visit and bestow on her eldest niece the \$5000!!!

CLASS HISTORY

In Memory of S. Garner Pritz

A builder builded a temple, He wrought it with grace and skill; Pillars and groins and arches. All fashioned wot work his will. Men said as they saw its beauty. "It shall never know decay. Great is thy skill, O Builder, Thy fame shall endure for aye."

A teacher builded a temple with loving and infinite care. Planning each arch with patience, Laying each stone with prayer. None praised his unceasing efforts, None knew of his wonderous plan. For the temple the teacher builded, Was unseen by the eyes of man.

Gone is the builder's temple
Crumbled into the dust;
Now lies each stately pillar,
Food for consuming rust.
But the temple the teacher builded
Will last while the ages roll,
For that beautiful unseen temple
Is a child's mortal soul.
